Just a Moment

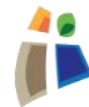

with Pastor Fred

One of my mentors has died. John MacArthur was ushered into the Lord's presence on July 14. He was 86. MacArthur served Christ as pastor at Grace Community Church in Sun Valley, CA for 56 years. Of course, he's most well-known for his radio ministry, *Grace to You*.

Susan introduced me to that program in 1979 - and we were hooked on his sound expository preaching. MacArthur mentored me through his commentaries and numerous books. I think the first book I read of his was on God's will – and it fundamentally shaped my thinking on the subject. I was blessed to hear him preach on numerous occasions. I was always impressed with his crisp intellect with the Scriptures. I had the privilege of meeting him in 1995. Through a providential circumstance, Terry McIntosh, Don Magee and I hosted a mid-week service with MacArthur preaching. We were able to meet personally with him for about an hour. While he could come across as harsh on the radio at times, one-on-one he was personable, engaging and humble. I am indebted to his godly influence over my life and ministry.

Heb 13:7, *Remember your leaders, those who spoke to you the word of God. Consider the outcome of their way of life, and imitate their faith.* Most Bible students believe this reference refers to individuals now dead, *those who spoke*, past tense. John MacArthur spoke the Word of God to us. We are admonished to follow such godly leaders by precept (what they taught) and example (how they behaved). My faith wasn't built on MacArthur – my faith is sourced in Christ. But I am thankful for John demonstrating Christ to me.

Well done, good and faithful servant.
