I have been a collector of quotes. Here are some old ones I had on a page in my Franklin Planner from years ago. Some are anonymous – others I've given credit where credit is due.

With every job ... "work through the problems and seize the opportunities." - Colin Powell

"There is no ideal place to serve God, except the place where he has set you down." - Alistair Begg

"Life is not the dreams that we have, but the choices that we make." – Joe Stowell

"We ponder God's withholding or bestowing and while we pine for what was never given, or what was taken, TODAY slips through our fingers."

"Patience is the will to wait on God without frustration, irritation or anger."

"Lord, I renounce my desire for human praise; the need for public recognition. I deliberately put these aside today – content to hear you whisper, 'Well done, good and faithful servant.'"

"Self-pity deceives us into thinking we're heroic when we're full of pride."

"I am a nobody, trying to tell everybody, about somebody who can change anybody." - Thabiti Anyabwile

Jesus said,
*I am the resurrection,
and the life:*

Whoever believes in me,
Though he die,
yet shall he live:
and everyone who lives
and believes in me shall
never die.

Praying Biblically—John 12:13, Matthew 21:9

Blessed is the King who comes in the name of the Lord!
